DYCL CUP COMPETITIONS 2024

This brochure provides an overview of the countywide junior **cup** competitions that will be available from the DYCL in 2024.

Please read it before placing your entries.

Countywide Cup Competitions

Under 13

Under 13 ECB Club Championship cups

For the ECB Club Championship cup at Under 13, due to the tight timescales caused by the national rounds for the Devon winners, we will not run a plate.

Matches will played under the ECB Club Championship Under 13 rules.

Although this is a countywide competition, initial rounds will be played locally, resulting in a winner of the traditional North, South, East & West areas.

The winner of these local rounds will go on to represent their area at the County finals (North, South, East & West), which will take place at the end of June.

Winners of the County finals will go on and represent Devon in the National Club Championship, so local rounds will be played swiftly to allow for the national rounds.

This is a countywide competition.

Under 15

Under 15 ECB Club Championship cups

For the ECB Club Championship cup at Under 15, due to the tight timescales caused by the national rounds for the Devon winners, we will not run a plate.

Matches will played under the ECB Club Championship Under 15 rules.

Although this is a countywide competition, initial rounds will be played locally, resulting in a winner of the traditional North, South, East & West areas.

The winner of these local rounds will go on to represent their area at the County finals (North, South, East & West), which will take place at the end of June.

Winners of the County finals will go on and represent Devon in the National Club Championship, so local rounds will be played swiftly to allow for the national rounds.

This is a countywide competition.

Under 17

Under 17 T20 – Blast

A competition to support the transition of players into senior cricket.

The U17 Blast features group stages followed by knockout games, culminating in a Finals Day - just like the professional men's county T20 Blast. Matches are played in coloured clothing with a pink ball and are usually played mid-week, often on Fridays.

As with the Under 19 T20 competition, in the main, you will be organising fixtures after the traditional exam period (from mid-July onwards). However, clubs will be given the opportunity to rearrange fixtures earlier in the season should availability allow. We are conscious that not all students sit exams, and earlier fixtures will allow these players the opportunity to play right through the season.

This is a countywide competition.

Under 19

Under 19 T20 - Blast

Introduced to keep young players in the game. The competition aims to create competitive and enjoyable cricket for young players. The U19 Club T20 features group stages followed by knockout games, culminating in a Finals Day. Matches are played in coloured clothing with a pink ball and are usually played mid-week, often on Fridays.

This is a countywide competition.
